Rick Hessney asked a question about the short-term rental law. Does it have a provision about fireworks. He lives in the village along the lake. Fireworks are going off all summer on Arrowhead Beach Road at night. He has called law enforcement with little action taken. Board members agreed it would be impossible to place a regulation on fireworks as they are already illegal in New York State.

On the short-term rental application that is being drafted for Code Officer, this concern could be brought to the attention of the property owner or manager. George Dowse Chairman of the Planning Board stated the

Planning Board was tasked to draft the STR application, said will look into this.

Highway Report: Tim Chambers gave the highway report. The highway has help install 17-meter pits, working with the Town of Benton water crew.

Received calls on timeline for lawn restoration completion. Received calls on high grass roadsides along Anthony Road. This is a county road maintained by the county.

Riccelli paved Downey Road.

Mowed all cemeteries and town roadsides. Having issues with transmission and hydraulics with new mowing tractor. Dealer sent a mechanic twice to work on it.

All salt has been mixed with sand at stone pile. Will wait to order more salt on next contract later this summer.

Shared Service: Sent truck to oil & stone for Yates County. Clean up is Saturday, have metal container set.

Asked about bollard down at public beach.

Tim will rent a post hole driller to set the bollard, the bollard will deter anyone from driving down to lakeside on the pathway.

Code Report: Dwight James gave the code report. 10 permits issued for May. 1 C of O, 1 Special use app pending, 2 Area Variance applications, 1 violation resolved, 9 building inspections, 1 Short term rental inspection, 1 Youth Camp Fire Inspection, traveled 116 miles.

WD 1 water report- Jayson Hoover submitted his May report. 17 services have been installed with 10 customers using water. Meters will be read June 26a and bills to follow. Last two railroad bores pushed back to late June.

Supervisor asked if anyone had comments on the two laws before closing the public hearing.
