A Note from Town Supervisor Peter Martini

As the year 2025 has come to a close, I would like to take this opportunity to highlight some of the activities and issues the Town of Torrey experienced this past year as well as the direction for 2026. With the completion of **WD1** on September 1, 2024 the Town Board in 2025 turned its attention to the Perry Point Water District (**WD2**). However, this project is dependent on the Village of Dresden completing its Water System Main Replacement project which is tentatively scheduled to start June 2026. The Town of Torrey has been tentatively (based on Congressional final budget reconciliation) awarded a \$2.05 million grant for the **WD2** project towards the total cost which is budgeted at \$3.4 million.

The Town in 2025 was awarded two grants totaling \$2.3m for culvert replacement work on Perry Point Road. The necessary engineering work is being undertaken and coordinated by the Hunt Engineering firm. The two culvert replacement projects are currently being reviewed by the New York State Transportation Department. If the NYS DOT approval is given, it is anticipated bids will be solicited in the August of 2026 timeframe.

The Town in 2025, contracted with Shanna Williams, an architect in Naples, to assess and provide details for improvements to the Town Building in order to meet the needs and services provided to the Town residents.

The Town Board also continued its environmental initiatives with its annual "Cleanup Day" in June as well as its "Earth Day" roadside pickup in April. The town board members were joined by many community volunteers to make both events a success.

The Town of Torrey held its 103rd Memorial Day Observance at the Gazebo in the Village of Dresden and concluded with a ceremony at the Evergreen Cemetery. In addition this year, Donald Gibbs, Director of the Yates County Veterans Services, organized an October 10, 2025 dedication ceremony of signage for Sgt. James S. Hayes Memorial Highway. Sgt. Hayes died tragically in August 2020 when his vehicle went off the Southside of the bridge on Route 14.

In November there were two announcements from New York State that directly impacted the Town of Torrey. Generation LLC reached an agreement regarding permitted gas emissions (per *Finger Lakes Times* 11/10/25).. The renewed Air Title V permit requires Greenidge to reduce actual greenhouse gas emissions at the plant by at least 25% and potential emissions by 44%. The other announcement came from the New York State Energy Research and Development Authority (**NYSERDA**) has awarded K&MH Martens Farms \$185,000 to incorporate agrivoltaics into the development of a 300 kilowatt solar array for a microgrid to support an on-site grain processing operation.

The 2025 year concluded with the Town Board working diligently on developing the Town Budget for 2026 (see the breakdown in the following section for more details). This proved to be very challenging given the significant rise in the cost of materials, services, and insurances the Town Board confronted. The Town also needed to replace our 1999 Volvo snow

plow/dump truck. The budgetary process uncovered the need to make some changes to the fees and levies charged to the residents and customers in the Town's Water District #1. A letter was sent to the affected property owners explaining these changes. Let me assure you, the Town Board did its best to keep the amount of increase to be raised by taxes to 4.6% in the total Town Budget excluding those who have property in Water District 1 as low as possible while at the same time providing the necessary services you the taxpayers require.

Finally, let me encourage you to attend the monthly Town Board meeting which is held on the second Tuesday of the month at 7:30 pm at the Town Building on Geneva Street. You will not only have the opportunity to see the issues facing the Town of Torrey discussed, but you will also have the opportunity to bring forward your concerns and comments on town issues.

From the Desk of Town Board:

- The Town Board meets the second Tuesday of the month at 7:30 pm in the Town Building at 56 Geneva Street, Dresden, NY.
- The Town Board accepted the Stork Insurance Agency insurance proposal from October 1,2025 to September 30,2026 with a premium of \$27,298.34. This compares to the previous year's premium of \$24,862.34
- The 2026 Town Budget was adopted at the October 29th public meeting as follows:

From the Desk of Town Planning Board (George Dowse):

- Meets the third (3rd) Monday of the month at 7:00 pm in the Town Building. Although because of the Federal holidays in January and February, the meetings for those months will be January 26th and February 23rd.
- The Town of Torrey Short Term Limit of 51 residents has been reached. The Planning Board will review the resolution setting the limit to determine if it should be adjusted.
- New York State has finalized the rules and procedures for implementing the Cannabis Law. Licenses are now being issued. The Town of Torrey did **not** opt out of participating in the sale and dispensing of Cannabis. The Planning Board is finalizing a draft law for the implementation and location in the town where sale and dispensing will be allowed.
- Looking to 2026 the Planning Board intends to review and update if necessary:
 - The Town Comprehensive Plan
 - Solar Farm decommissioning
 - Noise measurement metrics
 - Distinction between Agriculture designation versus Agriculture/Residential
 - Allowing Manufacturing/Light Manufacturing in Agriculture or Agriculture/Residential
 - Building permits including charges for professional services
- There is currently an opening for a new member to the Planning Board. Anyone interested should check at the Town Office for details.

From the Desk of Town Judge (Hon. James Smith)

- Court is held each Tuesday at 2:00pm on the West side of the Town Building. The phone number is 315.536.5655
Town Court has jurisdiction over a broad range of matters, including

vehicle and traffic, small claims, evictions, State and Local code, environmental conservation and civil matters as well as criminal cases involving the prosecution of misdemeanors and violations that are committed within the town's geographic boundaries. The Town Court also conducts arraignments and preliminary hearings in felony matters.

- Criminal court cases are heard on the second and fourth Tuesday of the month at 2:00 pm
- All Yates County Town and Village justices are also responsible for a scheduled share of arraignments at the County Jail where defendants are arraigned every day at 8:00AM and 6:00PM. It is called CAP Court, an abbreviation standing for Central Arraignment Cases. These may involve issuance of orders of protection, contempt of court charges for violation of orders of protection, harassment, DWI chemical test refusals, aggravated unlicensed operators, arrests for failure to appear for past citations causing bench warrants to be issued, initial arraignments for felony charges, to name a few. A representative of the District Attorney and a member of the Public Defender's office also appear at CAP arraignments to make recommendations on holding or releasing defendants or requiring bail.
- Yearly audit of Town of Torrey Court's accounts was done on November 3, 2025 by Town Councilman Grant Downs, and Town Councilwoman Kathy McGrath. The audit showed the records were current, complete, and accurate with no discrepancies found.

From the Desk of Town Assessor (Stephanie Holtz)

- The Office of the Assessor for the Town of Torrey is located in the Town Building at 56 Geneva Street, Dresden. Office hours are on Thursdays from 9:00 am to 2:00 pm through September 31st. Starting on October 1st, office hours will be 9:00 am to 3:00 pm.
- I attended the NYSAA Conference the week of October 6th.
- I attended a one day presentation on the new real property software we will be

using on October 16th in Batavia.

- Exemption renewals have been printed and mailed at the end of December. An important reminder: **exemption renewal applications** are due by **March 1, 2026**.
- The Town of Torrey website www.townoftorrey.com has the **2026 Final Assessment Roll**. The website also has the **2026 Special Assessment Roll** for Water District 1 in the Town of Torrey.
- The New York State Department of Taxation and Finance notified us that our 2024 Revaluation Aid was sent. The amount was \$2,169.99 (parcel count x \$2.2168).
- The new residential trend from NYS Tax & Finance for the Town of Torrey was 2%. This indicates that on average residential sales are still selling *above* the current assessments.

From the Desk of Town Watershed Inspector (Yates Cty Soil & Water)

The Town's inspectors can be contacted at the Yates County Soil and Water Conservation Department 315- 536-5188.

FEMA has produced a new Floodplain Map for the Town of Torrey resulting in a number of residences being taken *out* of the floodplain.

The Yates County Soil and Water Conservation District provides the watershed inspection services for the Town of Torrey and Village of Dresden. Educating homeowners on the function of their wastewater treatment systems has proven to be a tremendous benefit.

In November of 2014, the Town of Torrey passed a local Wastewater Law effective January 1, 2015. Under the new law, any onsite wastewater treatment system within 200' of Seneca Lake or a DEC classified stream is required to be inspected every 5 years which are termed **Zone 1** properties. The cost of the inspection is borne by the Town of Torrey (unless this is a property transfer). However any pumping of the septic or repair is a cost to the homeowner. We are now in year 11 of these inspections. There are a total of 649 properties in the Town of Torrey of which 295 are Zone 1 systems and there are 2 Holding Tank systems.

The Watershed Inspection Reports for the Town of Torrey over the last five years (the program has a 5 year cycle) are:

2021- 81 inspections to date

- 44 Zone 1

- 13 Real Property Transfer

- 9 Repairs

- 3 Tank Replacement

- 3 Construction

- 9 Misc

If any residents have questions regarding the watershed inspection program, they may call the office at 315-536-5188.

Soil & Water also continues to interact with all of our local farmers utilizing NYS's Agricultural Environmental Management program. This program has been utilized in the county since 1997. We have worked with local farmers on a suite of practices including soil erosion and field runoff, manure storage, barnyard runoff, and manure and nutrient manage

From the Desk of the Mayor of Dresden (Brian Flynn):

- Mayor Brian Flynn (Term: April 1, 2025 - March 31, 2027)
- Village Trustees

John Stryker (Term: April 1, 2024 - March 31, 2026)

Bret Siegrist (Term: April 1, 2025 - March 31, 2027)

Village Board meets the third Wednesday of the month at 7:00pm

- Colleen Riviello is the Village Clerk and Kathy Whitney is the Deputy Clerk. The Office hours are Monday - Friday, 8:00 am to 2:00pm. The Village Office phone number is 315-536-2477 and email address is villageclerk@villageofdresden.org
- Village of Dresden election for Village Trustee will be held Wednesday, March 18, 2026 at the Village Office.
- The **Seneca 7 Relay Race** which passes through the Village will be held Sunday, April 26th.
- The village is designated as the lead agency under the New York State Environmental Quality Review Act (**SEQRA**) for the Village of Dresden Water System Main Replacement Project which was awarded a \$4.166 million grant.
- The Water System Main Replacement Project is expected to go out to bid in February/March 2026. Although, there is a need to obtain 3 more easements before bids can be requested. Construction is slated to begin in the late Spring of 2026 and completed in the early Summer of 2027.
- The Village received two bids for the Generator projects – Hunt Engineering has made their recommendation based on the lowest bidder. The Bid for the Water Tank/bldg. Generator came in under and the FD/Village Hall bid came in over by \$43,900 – the board will need to look at the General Reserve to see if the difference can be paid out of that.
- The Village of Dresden Highway Department has refurbished and enlarged the parking lot at the Bruce I. Hansen Community Park
- Dresden Fire Department meets the first Tuesday of the month. The Fire Department handled 162 calls in 2025- 65 fire and 97 EMS. The Department now has 4 certified EMT volunteers. There is always a need for volunteer firemen in Dresden. All residents of the Town of Torrey are encouraged to volunteer.

From Yates County Legislators (Terry Button, Richard Harper, Rick Willson)

- A public budget hearing on the 2025 spending plan was held on November 21, 2024. The adopted \$58,186,074 budget is 1.35% less than the 2024 spending plan. The tentative budget set a tax rate of \$4.01 per \$1,000 of assessed value. The number for 2024 was \$4.48.
- The County has purchased software that identifies properties that are being used as rentals. The data will be shared with the nine(9) towns in the County

- The County has voted to go with Regional Transit Service (**RTS**) as its public transportation provider in Yates County by signing an agreement with Rochester-Genesee Regional Transportation Authority. This replaces the current provider, Yates Transit Services.

From the Desk of the Newsletter Editor (*Grant Downs*):

This is the last Torrey Town Newsletter that I will produce as I did not seek another term as Torrey Town Councilman. (The Torrey Town Board does intend to continue to produce a newsletter in the future). At this time though let me take this opportunity to express my gratitude to the Torrey residents who allowed me to serve on the Town Board. It has been an honor and a privilege for the last eight (8) years to be your councilman.

I'm convinced Yates County is a gem in New York State and the Town of Torrey is the crown jewel of the county with its rich farmland, abundant vineyards, and beautiful Seneca Lake. But most importantly, it is the multitude of good people here in Torrey that make it such a special place.

Many residents have been fortunate to have been born and/or raised here, while others (like myself) have been lucky through whatever circumstances to have landed here. Regardless of how, you collectively make Torrey a wonderful place to live.

I'm personally grateful to all of you for the kindness, generosity, and welcome you've extended to me. So it is with deep appreciation that I'll close with the following-

Live Well
Laugh Often
Love Much

Thank you from the bottom of my heart!
Grant Downs
